

*Before proceeding, please download this form to your computer and make sure you are using the most up to date Adobe Reader or Adobe Acrobat.*

**Disclaimer:** This Solicitation for Contractor Services is project specific for local contractors in the states of TX. This solicitation does not apply to other Energy Transfer projects. It is Trans-Pecos's intent to consider the selection of qualified local services and local labor familiar with the construction area. The information that you are providing does not pre-qualify you as a vendor for Energy Transfer or its contractors.

The information submitted in the attached Solicitation for Contractor Services may be reviewed by Trans-Pecos's project staff, or may be submitted to its primary construction contractors for their consideration. If you would like to provide information about your company and its services, please complete and submit the following form. Submission of this form does not guarantee that your company will receive a request to bid or a contract from Trans-Pecos. **Contractors will only be contacted if additional information is required about the company products or services.**
